Any terms and conditions sought to be incorporated by the Buyer shall be of no effect unless and to the extent they are expressly agreed to in writing by the Company

ORDERS AND SPECIFICATIONS An order, request, or acceptance of quotation from the Buyer in respect of the Goods shall be deemed to be an offer by the Buyer to buy the Goods subject to these conditions ("Offer"). No Offer shall be accepted or deemed to be accepted by the Company until the Company either delivers the Goods to the Buyer in accordance with the Offer or the Company confirms in writing to the Buyer in accordance with these conditions that the Offer has been accepted. By making an Offer, the Buyer shall be deemed to confirm that the terms of its Offer, and any specifications or requirements specified in the Offer in relation to the Goods, are complete and accurate and that they are suitable for the intended purpose for which the Buyer intends to use the Goods. Unless otherwise agreed, any quotation is valid for a period of thirty (30) days only from its date, provided that the Company has not previously withdrawn it. For the avoidance of doubt this clause shall survive termination of the Contract. The Company reserves the right to make any changes to the specification, materials or finishes of the Goods which are amended to conform with any applicable laws, rules or regulations, or, where the Goods are to be supplied to the Company's specification, which do not materially affect its quality or performance. All samples, drawings, descriptive matter, specifications, and advertising issued by the Company and any descriptions or illustrations contained in the Company's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the Goods described in them. They shall not form part of the Contract or have any contractual force. Any advice or recommendation given by, or statement or representation made by the Company or its employees or agents to the Buyer or its employees or agents, relating to the Goods, which is not confirmed in writing in this Contract, is followed or acted upon entirely at the Buyer's own risk, and the Company shall not be liable for any such advice or recommendation.

Any times specified by the Company for delivery of the Goods are intended to be an estimate only and time for delivery is not of the essence and shall not be made of the essence by notice. If no dates are specified, delivery shall be within a reasonable time. The Company's liability for failure to deliver the Goods shall be limited to the excess (if any) of the cost to the Buyer (in the cheapest available market) of similar goods to replace those not delivered over the price of the Goods not delivered. For the avoidance of doubt, the Company shall not be liable in the event that the failure to deliver the Goods is as a result of events beyond the reasonable control of the Company, or as a result of the actions or omissions of the Buyer. The Buyer shall at its cost and expense provide at the delivery site adequate and appropriate equipment and manual labour for loading and unloading the Goods and the Buyer will indemnify the Company against any liability and expense caused by the Buyer's failure to provide such equipment and labour. Delivery dockets and all related documentation shall be retained by the Company in electronic versions only. Where the Buyer species particular requirements relating to the delivery and unloading of the Goods, any costs and expenses associated with such delivery and unloading requirements shall be payable by the Buyer including any cancellation costs associated with such special requirements. Ownership of the Goods shall not pass to the Buyer until the Company has received in full (in cash or cleared funds) all sums due to it in respect of (a) the Goods, and (b) all other sums which are or which become due to the Company from the Buyer on any account. Until ownership of the Goods has passed to the Buyer, the Buyer shall: (a) keep the Goods insured on the Company's behalf for its full price against all risks to the reasonable satisfaction of the Company; (b) store the Goods separately from all other goods held by the Buyer so that they remain readily identifiable as the Company's property; (c) maintain the Goods in satisfactory condition and keep them insured against all risks for their full price from the date of delivery; (d) notify the Company immediately if it becomes subject to any of the events listed in clause 5.4; and (e) give the Company such information relating to the Goods as the Company may require from time to time. The Buyer grants the Company, its agents, and employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored to inspect them, or, where the Buyer's right to possession has terminated, to recover them PRICE AND PAYMENT Unless otherwise agreed, the price for the Goods shall be the Company's relevant price as at the date of the Contract. The price for the Goods shall be exclusive of any value added tax. The Company reserves the right, by giving notice to the Buyer at any time before delivery, to increase the price of the Goods to reflect any increase in the cost of the Goods

Time for payment shall be of the essence. Errors in invoicing must be notified to the Company within seven (7) days of the date of invoice. No payment shall be deemed to have been received until the Company has received cleared funds. The Buyer shall make all payments due under the Contract in full without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise. The Company is entitled to set off any amount due to the Buyer from the Company against any amount due to the Company from the Buyer under this Contract.
