

Careers at Cubis Systems

Cubis Systems is a global leader in the design, engineering and manufacture of network access products for the infrastructure, utility and construction markets. Headquartered in Northern Ireland, Cubis is part of the €27 billion CRH Group and operates from multiple sites across the UK and Ireland, exporting to over 30 countries worldwide. Due to the continued growth of our business we currently have a vacancy for a:

Production Scheduler

The Role

Based at either our Liverpool, High Carr Biddulph Moor sites and reporting to the Planning & Inventory Manager the successful candidate will schedule, expedite and coordinate our stocks sites. The Production Scheduler will also be responsible for:

- Working with other functions within Operations to ensure the intercompany planning process is executed according to applicable procedures and policies.
- Supporting the intercompany projects that facilitate the flow of products across the wider business
- Stock transfer orders
- Maintenance of ERP data
- Supporting production control to follow up on supplying plant deliveries
- Expediting transfer orders into the site leads
- Controlling off site inventory profile
- Reviewing intercompany demand
- Make ROL proposals
- Optimising flow of inventory between sites
- Conduct respective analysis to support working capital, sales and operational planning
- Collaborating with production control to deal with capacity and delivery conflicts
- Maintenance of open order book
- Liaising with SOE on customer expedited orders
- Assisting and collaborating with all departmental needs
- Any other duties as required by the Planning & Inventory Manager in association with the performance of the role

How to apply

Cubis is a progressive business with a focus on attracting and developing the best talent. Excellent career development opportunities exist within the business and the wider CRH Group. We offer an attractive remuneration package including ShareSave options and private healthcare provision. If you would like to be considered for this post, please forward a covering letter and C.V. by email to recruitment@cubis-systems.com. All applications must be received by **Friday 28th of November 2022**
