

Careers at Cubis Systems

Cubis Systems is a global leader in the design, engineering and manufacture of network access products for the infrastructure, utility and construction markets. Headquartered in Northern Ireland, Cubis is part of the €27 billion CRH Group and operates from multiple sites across the UK and Ireland, exporting to over 30 countries worldwide. Due to the continued growth of our business we currently have a vacancy for a:

Machine Operative (Nightshift)

The Role

Reporting to the relevant Team Leader, the successful candidate will be based at our Lurgan site and responsible for:

- Operating equipment in line with Health & Safety procedures and ensuring that this is adhered to at all times
- Working as part of a team and/or individually in a busy manufacturing environment ensuring that product is manufactured to the expected the standard
- General operative duties capable of movement between departments
- Working to tight deadlines
- Maintaining a high standard of housekeeping
- Maintaining quality control throughout all areas of production
- Working on various machines including Presses/Guillotines/Saws

The Applicant

Applicants must be skilled or semi-skilled with relevant experience in a similar role. Candidates should possess the following skills and competencies:

- Must be able to work shifts
- Be action oriented and drive results
- Have high levels of attention to detail and the ability to work under pressure and to deadlines
- Be able to plan and align work
- Demonstrate self-awareness
- Be resourceful
- Work well within a team
- Be health and safety and quality focused
- Must have worked in a busy, high output manufacturing environment

Cubis Systems are an Equal Opportunities Employer with various shift patterns and flexible hours available

How to apply

Cubis is a progressive business with a focus on attracting and developing the best talent. Excellent career development opportunities exist within the business and the wider CRH Group.
