

Careers at Cubis Systems

Cubis Systems is a global leader in the design, engineering and manufacture of network access products for the infrastructure, utility and construction markets. Headquartered in Northern Ireland, Cubis is part of the €27 billion CRH Group and operates from multiple sites across the UK and Ireland, exporting to over 30 countries worldwide. Due to the continued growth of our business we currently have a vacancy for a:

Utility Operator (2-10 Shift)

The Role

Reporting to the relevant Production Supervisor the successful Candidate(s) will be based at our Tallington site and be responsible for:

- Safe Loading and Unloading of material and finished stock.
- Accurate completion of Goods Inwards (GRN) / Outwards documentation, kitting of customer orders
- Movement of WiP in Factory, supporting production with raw materials and support materials for machines.
- General yard duties required to ensure Yard is safe and stock stored in a correct and safe manner
- Covering various areas of the Operations

How to apply

Cubis is a progressive business with a focus on attracting and developing the best talent. Excellent career development opportunities exist within the business and the wider CRH Group. We offer an attractive remuneration package including ShareSave options and private healthcare provision. If you would like to be considered for this post, please forward a covering letter and C.V. by email to recruitment@cubis-systems.com. All applications must be received by **[Friday 9th June 2023]**

The Applicant

Candidates must have experience working in a fast paced, manufacturing environment. The successful candidate must also possess the following skills and competencies:

- GCSE Math's & English, or equivalent
- Basic IT skills
- FLT licence is essential
- Up to date FLT licence is desirable
- Experience using a FLT
