

Careers at Cubis Systems

Cubis Systems is a global leader in the design, engineering and manufacture of network access products for the infrastructure, utility and construction markets. Headquartered in Northern Ireland, Cubis is part of the €27 billion CRH Group and operates from multiple sites across the UK and Ireland, exporting to over 30 countries worldwide. Due to the continued growth of our business we currently have a vacancy for a:

Financial Accountant

The Role

The successful candidate will perform a variety of full cycle accounting functions, reporting and financial analysis to ensure the continued growth and success of the Company including day to day accounting and financials and working as part of dynamic team. Reporting to the Finance Manager, the Financial Accountant will be based at our Lurgan site. The responsibilities for this role include:

- Preparation of monthly management accounts for companies within the group
- Monthly reconciliations
- Timely and accurate recording of all transaction and daily cash book posting and purchase downloads
- Preparing and submitting statutory returns
- Reporting costings and stock valuations
- Preparing management reports, including financial statements, cash flow, budgets and forecasts, as required
- Assisting with the development of necessary policies and procedures to support an appropriate control environment
- Working with and training team members in supporting roles, as required
- Completing year end activities
- Ensuring compliance and supporting a transition to US GAAP
- Any other duties as deemed necessary by the Financial Manager

How to apply

Cubis is a progressive business with a focus on attracting and developing the best talent. Excellent career development opportunities exist within the business and the wider CRH Group. We offer an attractive remuneration package including ShareSave options and private healthcare provision. If you would like to be considered for this post, please forward a covering letter and C.V. by email to recruitment@cubis-systems.com. All applications must be received by **Wednesday 6th December 2023**
